Look out for

When terror strikes Jerusalem again, the international community persuades the Israelis and the Palestinians to resume their long-stalled peace talks. A dozen negotiators converge on Delhi to try and wrest peace for a land torn apart by centuries of strife and mistrust. Enter Ruby Gill, an MI6 agent manipulated by the Lashkar and the Qassam Brigades to disrupt the summit. Will peace finally find these strife-torn countries? Or will the dust never settle in the Promised Land?

When a U.S. Special Forces team is wiped out by a group of normally peaceful farmers in Uganda, Covert-One operative Jon Smith is sent to investigate. Video of the attack shows even women and children possessing almost supernatural speed and strength, consumed with a rage that makes them immune to pain, fear, and injuries. This time, though, it's different. And as Smith and his team are cut off from all outside support, they begin to suspect that forces much closer to home are in play...

Conor has the same dream every night, ever since his mother first fell ill, ever since she started the treatments that don't quite seem to be working. But tonight is different. Tonight, when he wakes, there's a visitor at his window, but it's not the one he's been expecting. This one is ancient, elemental, a force of nature. And it wants the most dangerous thing of all from Conor. It wants the truth.
